

1-Amino-7-naphthalenesulfonic Acid

Art. ID TRC-A618353-25G
Unit 25 g
Deliverydetails ADR Excepted Quantity (EQ) / AIR Excepted Quantity (EQ) UN2585 III E1

Description

Application Note: 1-Amino-7-naphthalenesulfonic Acid is used as an analyte in the development of several detection and analytical methods.

Text/Information	Analyte/Parameter	CAS number	Concentration/Value	Unit	Method	Source
	8-Amino-2-naphthalenesulfonic acid	[119-28-8]
