

L-2-Aminothiazoline-4-carboxylic Acid

Art. ID TRC-A630505-5G
Unit 5 g
Deliverydetails ADR Excepted Quantity (EQ) / AIR Excepted Quantity (EQ)

Description

Application Note: A thiozole derivative that is converted to L-cysteine by the enzyme 2-amino-2-thiazoline-4-carboxylic acid hydrolase (ATCase) upon induction by S-compounds in certain bacteria.
