

## **5-Aza-7-deazaguanine**

Art. ID                      TRC-A796900-5MG  
Unit                         5 mg  
Deliverydetails            De Minimis

### Description

Application Note: A nitrogenous base able to be used to construct modified nucleosides having antiviral properties

Text/Information	Analyte/Parameter	CAS number	Concentration/Value	Unit	Method	Source
	5-Aza-7-deazaguanine	[67410-64-4]
