

## **8-Azaadenosine**

Art. ID TRC-A797305-25MG  
Unit 25 mg  
Deliverydetails De Minimis

### Description

Application Note: Hydrogen bonding in 8-Azaadenosine was examined in this study. 8-Azaadenosine is one of the best substrates of highly purified rabbit liver adenosine kinase.

Text/Information	Analyte/Parameter	CAS number	Concentration/Value	Unit	Method	Source
	8-Azaadenosine	[10299-44-2]
