

### **Acid Surrogate Standard, 2,0 mg/mL in Methanol**

Art. ID ACCU-CLP-AS  
Unit 1 mL  
Deliverydetails De Minimis UN1230 (6.1) II E2

| Text/Information | Analyte/Parameter    | CAS number  | Concentration/Value | Unit  | Method | Source |
|------------------|----------------------|-------------|---------------------|-------|--------|--------|
|                  | 2-Fluorophenol       | [367-12-4]  | 2                   | mg/mL |        |        |
|                  | Phenol D5            | [4165-62-2] | 2                   | mg/mL |        |        |
|                  | 2,4,6-Tribromophenol | [118-79-6]  | 2                   | mg/mL |        |        |
