

3-(Acetyloxy)octanedioic Acid

Art. ID TRC-A187993-50MG
Unit 50 mg
Deliverydetails De Minimis

Description

Application Note: 3-(Acetyloxy)octanedioic Acid is an intermediate in the synthesis of 3-Hydroxysuberic Acid (H953795). 3-Hydroxysuberic Acid is a derivative of sebacic acid (S211410) a urinary metabolite that has been identified as an anti-fatigue biomarker.
