

8-Azaadenosine

Art. ID TRC-A797305-100MG
Unit 100 mg
Deliverydetails De Minimis

Description

Application Note: Hydrogen bonding in 8-Azaadenosine was examined in this study. 8-Azaadenosine is one of the best substrates of highly purified rabbit liver adenosine kinase.

Text/Information	Analyte/Parameter	CAS number	Concentration/Value	Unit	Method	Source
	8-Azaadenosine	[10299-44-2]
