

## **Petroselinic acid**

Art. ID                    EXS-3189  
Unit                        100 mg  
Deliverydetails        No Dangerous Good /not restricted

### Description

Family: LIPID/ Sub-Family: Fatty acid deriv./ cis-6-Octadecenoic acid

Text/Information	Analyte/Parameter	CAS number	Concentration/Value	Unit	Method	Source
	Petroselinic (6c), No. of C: C18:1	[593-39-5]
