

## **Pb, Hg, Cr, Cd in Polypropylene**

|                 |                                   |
|-----------------|-----------------------------------|
| Art. ID         | NCS RC76001                       |
| Unit            | Set (4)                           |
| Deliverydetails | No Dangerous Good /not restricted |

### Description

Each set include one blank and three different content level. The minimum package is 30 grams

| Text/Information | Analyte/Parameter | CAS number  | Concentration/Value | Unit  | Method | Source |
|------------------|-------------------|-------------|---------------------|-------|--------|--------|
| Level PP-L       | Lead (Pb)         | [7439-92-1] | 98,2 ± 3,3          | mg/kg |        |        |
| Level PP-L       | Mercury (Hg)      | [7439-97-6] | 93 ± 2,2            | mg/kg |        |        |
| Level PP-L       | Chromium (Cr)     | [7440-47-3] | 98,4 ± 3,4          | mg/kg |        |        |
| Level PP-L       | Cadmium (Cd)      | [7440-43-9] | 9,26 ± 0,22         | mg/kg |        |        |
| Level PP-M       | Lead (Pb)         | [7439-92-1] | 476 ± 7             | mg/kg |        |        |
| Level PP-M       | Mercury (Hg)      | [7439-97-6] | 387 ± 9             | mg/kg |        |        |
| Level PP-M       | Chromium (Cr)     | [7440-47-3] | 255 ± 5             | mg/kg |        |        |
| Level PP-M       | Cadmium (Cd)      | [7440-43-9] | 36,2 ± 0,7          | mg/kg |        |        |
| Level PP-H       | Lead (Pb)         | [7439-92-1] | 981 ± 11            | mg/kg |        |        |
| Level PP-H       | Mercury (Hg)      | [7439-97-6] | 922 ± 20            | mg/kg |        |        |
| Level PP-H       | Chromium (Cr)     | [7440-47-3] | 978 ± 24            | mg/kg |        |        |
| Level PP-H       | Cadmium (Cd)      | [7440-43-9] | 92,3 ± 1,7          | mg/kg |        |        |
