

**Particle count controls for validation of counting accuracy of particle counting devices**  
**(Set content: 3 x Suspension/3 x Blank/3 x Certificate) (Nominal mean size: 10 µm)**

Art. ID                      BSP-PC1003a25  
Unit                         25 mL each  
Deliverydetails            No Dangerous Good /not restricted
