

## **PAH MIX-1 (WHO) in Acetonitrile CERTAN**

Art. ID AP-CE001-4.5A  
Unit 4,5 mL  
Deliverydetails ADR Excepted Quantity (EQ) / AIR Excepted Quantity (EQ) UN1648 II E2

| Text/Information | Analyte/Parameter      | CAS number | Concentration/Value | Unit  | Method | Source |
|------------------|------------------------|------------|---------------------|-------|--------|--------|
|                  | Benzo(b)fluoranthene   | [205-99-2] | 20                  | µg/mL |        |        |
|                  | Benzo(k)fluoranthene   | [207-08-9] | 20                  | µg/mL |        |        |
|                  | Benzo(g,h,i)perylene   | [191-24-2] | 20                  | µg/mL |        |        |
|                  | Benzo(a)pyrene         | [50-32-8]  | 20                  | µg/mL |        |        |
|                  | Fluoranthene           | [206-44-0] | 50                  | µg/mL |        |        |
|                  | Indeno(1,2,3-cd)pyrene | [193-39-5] | 50                  | µg/mL |        |        |
