

Luteolin 7-diglucuronide

Art. ID PHYT-83412-1000MG
Unit 1000 mg
Deliverydetails No Dangerous Good

Description

This substance is a primary reference substance with assigned absolute purity (considering chromatographic purity, water, residual solvents, inorganic impurities). / Commodity description: natural glycoside / Occurance: Medicago sp. Origanum sp. Perilla sp. Scutellaria sp. Secale sp. Verbena sp. / Product source: botanical origin
