

Dietary Supplement - Verification Program Overview (On-Demand)

Art. ID	USP-DS-VP-01
Unit	Each
Deliverydetails	No Dangerous Good

Description

This sixty-minute webinar will inform existing participants, as well as potential customers, about USP and the Dietary Supplement Verification Program (DSVP) in order to enable them to make an informed decision about joining the program. In addition to highlighting USP standards, the webinar will provide an overview of the verification process, how the program works and typical timelines. (Webcast 1 hour)
