

Dietary Supplement Verification 201 (Classroom)

Art. ID	USP-DS-VP-02
Unit	Each
Deliverydetails	No Dangerous Good

Description

This one day course provides customers of the Dietary Supplement Verification Program (DSVP) with detailed, experiential information about the program, from guidance on applying to join the program to making informed science based decisions about complying with program requirements. Practical case studies will be used to demonstrate ways to overcome common process challenges. Participants are encouraged to view the DSVP Overview Webinar prior to attending the classroom course (Classroom 8 hours)
