

eLearning: USP Standards: Roles & Responsibilities for Institution Leaders

Art. ID	USP-HQS-HOS-01
Unit	Each
Deliverydetails	No Dangerous Good

Description

This course of the education offering is meant for Institution (Hospital) Leaders responsible for the understanding, support and implementation of USP standards on compounding (General Chapters <797> and <795>) and safe handling of hazardous drugs (General Chapter <800>).
The course for Institution Leaders defines the roles and responsibilities of hospital leadership regarding the implementation and compliance with USP General Chapters <795>, <797> and <800> and describes the quality, regulatory and reimbursement impact of compliance with USP standards on healthcare organizations.
