

eLearning: USP 800 Hazardous Drugs-Handling in Healthcare Settings for Compounding Professionals

Art. ID	USP-HQS-800-02
Unit	Each
Deliverydetails	No Dangerous Good

Description

This 6.5-hour eLearning course, delivered through an innovative, interactive, online format, aims to improve your knowledge in the implementation of USP <800> Hazardous Drugs-Handling in Healthcare Settings.
This course is meant for Compounding professionals responsible for the understanding, support and implementation of USP standards on handling of hazardous drugs. This course specifically addresses USP <800>.
This course describes the scope of USP <800> by outlining quality standards and responsibilities of personnel for handling hazardous drugs (HDs) to help ensure patient and healthcare worker safety, and environmental protection.
