## **Good Pharmaceutical Packaging: Extractables and Leachables (1-day Classroom)**

Art. ID USP-CM-1664-03-01

Unit Each

Deliverydetails No Dangerous Good

## **Description**

The course will address the increased regulatory concerns regarding extractables and leachables related to the interaction of drug products with various drug product contact surfaces-including packaging systems and pharmaceutical process equipment. Learn how to apply current best practices related to the quality and selection of packaging material and testing for extractables and leachables.
