

**SPECTRA 9 (15N, 98%)**

Art. ID CIL-CGM-3030-N-1  
Unit 1 L

Description

Chemical purity: NA

| Text/Information | Analyte/Parameter    | CAS number | Concentration/Value | Unit | Method | Source |
|------------------|----------------------|------------|---------------------|------|--------|--------|
|                  | SPECTRA 9 (15N, 98%) |            |                     |      |        |        |
