

**ADENOSINE 5'-MONOPHOSPHATE (U-13C10, 98%, U-15N5, 96-98%)**

Art. ID CIL-CNLM-3802-SL-10  
Unit 10 mg  
Deliverydetails Dry ice shipment /not restricted

Description

Chemical purity: 98%

| Text/Information | Analyte/Parameter                  | CAS number | Concentration/Value | Unit | Method | Source |
|------------------|------------------------------------|------------|---------------------|------|--------|--------|
