

## **GLYCAN-F41 (UNLABELLED)**

Art. ID CIL-ULM-10093-CA  
Unit 500 PMOL

### Description

Chemical purity: 98%

| Text/Information | Analyte/Parameter | CAS number | Concentration/Value | Unit | Method | Source |
|------------------|-------------------|------------|---------------------|------|--------|--------|
|                  | GLYCAN-F41        |            |                     |      |        |        |
