

CEN-Reference Sand

Art. ID	NOS-003-9x1350G
Unit	box (9 x 1350 g)
Deliverydetails	No Dangerous Good /not restricted

Description

The representative organization of the cement industry in Europe, CEMBUREAU, commissioned Normensand GmbH with the production of CEN-Reference Sand. Each produced CEN-Standard Sand has frequently to prove that its EN 196-1 performance is comparable to the performance of the CEN-Reference Sand /// naturally rounded quartz sand /// sales supervising by the DIN Standards Committee Building and Civil Engineering (DIN-NABau) /// serially numbered and registered boxes to ensure product traceability
