

## **Petroselinyl methane sulfonate**

Art. ID LA-44-1811-9  
Unit 100 mg

### Description

Lipid number: C18:1 (6Z) /// Documentation: Certificate of Analysis /// Purity: >99%

| Text/Information | Analyte/Parameter                  | CAS number   | Concentration/Value | Unit | Method | Source |
|------------------|------------------------------------|--------------|---------------------|------|--------|--------|
|                  | Petroselinyl methane su<br>lfonate | [67373-99-3] |                     |      |        |        |
