

**Quinic acid (1,2-13C2, carboxyl-13C, 98%) (chemical purity 95%)**

Art. ID CIL-CLM-11275-0.001

Unit 1 mg

Deliverydetails /not restricted

**Description**

Chemical purity: 95%

| Text/Information | Analyte/Parameter                            | CAS number | Concentration/Value | Unit | Method | Source |
|------------------|----------------------------------------------|------------|---------------------|------|--------|--------|
|                  | Quinic acid (1,2-13C2,<br>carboxyl-13C, 98%) | [77-95-2]  |                     |      |        |        |
