Description

Available from 1 August 2022. The British Pharmacopoeia (BP) 2023 edition, from the Medicines and Healthcare products Regulatory Agency, is the most comprehensive collection of authoritative official standards for UK pharmaceutical substances and medicinal products. If a pharmaceutical substance or finished product is marketed in a country where the BP is a legal standard, it must comply with the requirements of the BP throughout its shelf life. Make sure you're prepared for any new legally enforced changes on the 1st January 2023 and pre-order your copy of BP 2023.
