

GBR 12909 Dihydrochloride - CAS 67469-78-7 - Calbiochem

Art. ID SAF-5057320001
Unit EA
Deliverydetails No Dangerous Good /not restricted

Description

A potent inhibitor of dopamine active transporter (DAT, $K_i = 1$ nM, $IC_{50} = 40$ and 51 nM) with >100 fold selectivity over noradrenalin and 5-HT re-uptake transporter. Shown to produce behavioral profile in mice for bipolar mania disease model and ADHD disease models.
