

**Dofetilide Related Compound B**  
**(N-Methyl-N-[4-(methylsulfonamido)phenethyl]-2-[4-(methylsulfonamido)phenoxy]ethan-1-amine oxide)**

Art. ID                      USP-1225011

Unit                         25 mg

Description

Additional Information: This reference standard lot contains 2.32% of dofetilide and 0.12% of dofetilide related compound A, both were accounted for in the Assigned Value.

Text/Information	Analyte/Parameter	CAS number	Concentration/Value	Unit	Method	Source
	N-Methyl-N-[4-(methylsulfonamido)phenethyl]-2-[4-(methylsulfonamido)phenoxy]ethan-1-amine oxide	[144449-71-8]
