## Skim Milk Powder - FCC Analytical Material

Art. ID Unit

USP-1443826 20 g No Dangerous Good /not restricted

Description

**Deliverydetails** 

Note: Food Chemicals Codex FCC Analytical Material (FAM) products are fit-for-purpose materials designed specifically for the food industry and can be used for method development, verification, transfer, validation, method lifecycle management, or for other purposes deemed suitable by the user. FAM products are different from official USP Reference Standards and are specific for the food industry. Unlike USP Reference Standards that are accompanied with USP Certificates, FCC Analytical Materials are accompanied with Product Information Sheets (PIS). /// A complex mixture prepared by spray-drying condensed skim milk
