Art. ID	USP-1443761
Unit	5 g
Deliverydetails	No Dangerous Good /not restricted

Description

Note: Food Chemicals Codex FCC Analytical Material (FAM) products are fit-for-purpose materials designed specifically for the food industry and can be used for method development, verification, transfer, validation, method lifecycle management, or for other purposes deemed suitable by the user. FAM products are different from official USP Reference Standards and are specific for the food industry. Unlike USP Reference Standards that are accompanied with USP Certificates, FCC Analytical Materials are accompanied with Product Information Sheets (PIS). /// Skim milk powder containing 0.8% of maltodextrin
