

**SODIUM PROPIONATE (D5, 98%)**

Art. ID CIL-DLM-1601-PK  
Unit on request

Description

Chemical purity: 98%

| Text/Information | Analyte/Parameter                          | CAS number | Concentration/Value | Unit | Method | Source |
|------------------|--------------------------------------------|------------|---------------------|------|--------|--------|
