

Anirolac

Art. ID TRC-A673100-100MG
Unit 100 mg

Description

Application Notes: Anirolac is a nonsteroidal anti-inflammatory drug with analgesic properties. Study suggests that pain relief due to Anirolac is equivalent to that of Naproxen (N377520). /// References: Bloomfield, S., et al.: Clin. Pharmacol. Ther., 42, 89 (1987)]
