

## **7-Acetoxy-1-methylquinolinium iodide**

Art. ID TRC-A171158-1G  
Unit 1 g

### Description

Application Notes: 7-Acetoxy-1-methylquinolinium iodide is a fluorogenic substrate for cholinesterase. Non-fluorescent 7-acetoxy-1-methyl quinolinium iodide is hydrolysed to the highly fluorescent 7-hydroxy-1-methyl quinolinium iodide.
