

5beta-Androsterone-d5 beta-D-Glucuronide

Art. ID TRC-A637637-50MG
Unit 50 mg

Description

Category: Isotope Labelled Compounds, Metabolites and Impurities, Pharmaceuticals, Intermediates and Fine Chemicals, Steroids, /// Application Notes: Labelled 5beta-Androsterone beta-D-Glucuronide (A637635). 5beta-Androsterone beta-D-Glucuronide is a glucuronide metabolite of Testosterone (T155000). /// References: Weusten, J., et al.: J.
