

### **3-Acetylbulliferyl beta-D-Glucopyranoside**

Art. ID TRC-A795610-50MG  
Unit 50 mg

#### Description

Application Notes: 3-Acetylbulliferyl beta-D-Glucopyranoside is a fluorogenic substrate for beta-glucosidase. ///  
References: Carbohydr. Res. 7, 184, (1968)
