

4-Amino-3H-pyrazol-3-one Hydrochloride

Art. ID TRC-A628795-25MG
Unit 25 mg

Description

Application Notes: 4-Amino-3H-pyrazol-3-one Hydrochloride is a structural analog of 3-Amino-5-pyrazolone (A628955) which is an amino-substituted heterocyclic compound with moderate alanine racemase inhibitory activity.
