

## **Arimoclomol Citrate**

Art. ID TRC-A771280-250MG  
Unit 250 mg  
Deliverydetails to be checked

### Description

Application Note: Arimoclomol is a co-inducer of HSP that acts through heat shock factor 1 (HSF1) in cells undergoing cellular stress. Has therapeutic potential in motor neuron degenerative diseases. Potential treatment for liposomal storage disorders, such as Niemann-Pick disease type C.
