

5beta-Androstane-3alpha,17beta-diol-d5 3-O-beta-D-Glucuronide

Art. ID TRC-A638062-25MG
Unit 25 mg

Description

Application Notes: Isotope labelled 5beta-Androstane-3alpha,17beta-diol 3-Glucuronide can be used in biological study of steroid glucuronides of the seminal vesicle as olfactory stimuli in African catfish, *Clarias gariepinus*. ///
