

**2-Chloro-4-ethylamino-15N-6-isopropylamino-1, 3, 5-triazine, 99 atom % 15N, 98% (CP)  
(ALDRICH)**

Art. ID                    SAF-491373-100MG  
Unit                      100 mg  
Deliverydetails        No Dangerous Good /not restricted

| Text/Information | Analyte/Parameter       | CAS number    | Concentration/Value | Unit | Method | Source |
|------------------|-------------------------|---------------|---------------------|------|--------|--------|
|                  | 2-Chloro-4-ethylamino-1 | [287476-17-9] |                     |      |        |        |
|                  | 5N-6-isopropylamino-1,3 |               |                     |      |        |        |
