

### **Glass, SUS, Disc 40 mm Ø x 6 mm**

|                 |                                   |
|-----------------|-----------------------------------|
| Art. ID         | XRF-FLX-R2                        |
| Unit            | disc                              |
| Deliverydetails | No Dangerous Good /not restricted |

#### **Description**

Variations in the final glass are possible. According to REACH regulations article 3.3 this product is defined as an article - Therefore no MSDS is provided.

| Text/Information | Analyte/Parameter | CAS number | Concentration/Value | Unit | Method | Source |
|------------------|-------------------|------------|---------------------|------|--------|--------|
|                  | As2O3             |            | 1,47                | %    |        |        |
