

CERTAN® capillary bottle (5 x 10 mL)

Art. ID	CERTAN-10ML
Unit	set of 5
Deliverydetails	No Dangerous Good

Description

The CERTAN® bottle is a sample container with a capillary-opening. It has been specifically developed for use with organic reference solutions. Using the CERTAN® bottle makes the problems of storing volatile solutions a thing of the past. CERTAN® is a trademark of LGC Standards GmbH.
