

Out of Stock - Item is not available at this time - Density Standard for Medical Computed Tomography

Art. ID NIST-2088
Unit five foam blocks
Deliverydetails No Dangerous Good /not restricted

Description

This Standard Reference Material (SRM®) is intended primarily for use in calibrating the density scale of medical computed tomography (CT) machines in the range of the lung. A unit of NIST-2088 consists of five foam blocks held in place by plastic shrink wrap.
