

**Bromodichloromethane (13C,99%) (stabilized with K2CO3)**

Art. ID CIL-CLM-2090-1  
Unit 1 g  
Deliverydetails De Minimis

Description

Chemical purity: 98%

| Text/Information | Analyte/Parameter       | CAS number   | Concentration/Value | Unit | Method | Source |
|------------------|-------------------------|--------------|---------------------|------|--------|--------|
|                  | Bromodichloromethane (1 | [93952-10-4] |                     |      |        |        |
|                  | 3C,99%)                 |              |                     |      |        |        |
