

Acetoacetanilide

Art. ID TRC-A161815-5G
Unit 5 g
Deliverydetails No Dangerous Good /not restricted

Description

Appearance: White to Off-White Solid /// Application Notes: Acetoacetanilide can be used to synthesize organic compounds such as bicyclo[3.3.1]nonane derivatives and 6-aryl-2-methyl-4-oxo-N,N'-diphenyl-2-cyclohexene-1,3-dicarboxamides. /// References: Gein, V.L., et al.: Russian J.
