

N-Acetylaminoethylphosphoric Acid-d3

Art. ID TRC-A168257-2.5MG
Unit 2,5 mg
Deliverydetails No Dangerous Good UN3261 III E1

Description

Application Notes: Isotope labelled N-Acetylaminoethylphosphoric Acid is been found to show inhibitory properties towards ureases. /// References: Berlicki, L. et al.: Amino Acids, 42, 1937 (2012)|
