

21-O-Acetyl 6alpha-Hydroxy Cortisol-d4

Art. ID TRC-A178877-1MG
Unit 1 mg
Deliverydetails No Dangerous Good

Description

Category: Isotope Labelled Compounds, Pharmaceuticals, Intermediates and Fine Chemicals, Steroids ///
Appearance: Off-White to Pale Yellow Solid /// Application Notes: A labelled, protected Cortisol metabolite. ///
References: Derks, H., et al.: Steroids, 31, 9 (1978)
