

(16alpha)-21-(Acetyloxy)-16-methyl-pregna-1,4,9(11)-triene-3,20-dione

Art. ID TRC-A187425-5MG
Unit 5 mg
Deliverydetails No Dangerous Good

Description

Category: Pharmaceuticals, Intermediates and Fine Chemicals, Steroids /// Appearance: Light Yellow Solid ///
Application Notes: Used in the preparation of amino steroids useful in the treatment of neurological disorders.
