

## **rac alpha-Aminoadipic Acid**

Art. ID TRC-A580500-1G  
Unit 1 g  
Deliverydetails No Dangerous Good /not restricted

### Description

Category: Amino Acids and Derivatives /// Appearance: Off-White Solid /// Application Notes: An amino acid isolated from Cholera vibrio. /// References: Windsor, et al.: J. Biol. Chem., 192, 595 (1951), Scott, A.I., et al.: Synth. Commun., 10, 127 (1980)

Text/Information	Analyte/Parameter	CAS number	Concentration/Value	Unit	Method	Source
	DL-2-Aminoadipic acid	[542-32-5]
