

## **6-Amino-1-benzyl-5-methylaminouracil**

Art. ID TRC-A598750-250MG  
Unit 250 mg  
Deliverydetails No Dangerous Good

### Description

Category: Nucleotides, Bases and Related Reagents /// Appearance: White to Off-White Solid /// References: Mueller, C., et al.: J. Med. Chem., 45, 3440 (2002)

| Text/Information | Analyte/Parameter                        | CAS number   | Concentration/Value | Unit | Method | Source |
|------------------|------------------------------------------|--------------|---------------------|------|--------|--------|
|                  | 6-Amino-1-benzyl-5-meth<br>ylaminouracil | [72816-88-7] |                     |      |        |        |
