

alpha-Aminocyclohexanecarboxylic Acid

Art. ID TRC-A604220-1G
Unit 1 g
Deliverydetails No Dangerous Good /not restricted

Description

Category: Amines, Miscellaneous Reagents /// Application Notes: alpha-Aminocyclohexanecarboxylic Acid enhances the stability of highly regular beta-helical motifs. /// References: Rodriguez-Ropero, F., et. al.: J. Chem. Info. Mode3ling, 48, 333 (2008)
