

1-Amino-3-Hydroxybenzene

Art. ID TRC-A611185-10G
Unit 10 g
Deliverydetails ADR Excepted Quantity (EQ) / AIR Excepted Quantity (EQ) UN2512 III E1

Description

Category: Aromatics, Miscellaneous Reagents /// Appearance: Off-White Solid /// Application Notes:
1-Amino-3-Hydroxybenzene is used in the preparation of inhibitors of mammalian carbonic anhydrase isoforms.
Also used in the preparation of quinoline tethered fluorescent carbon dots for regulated anticancer discovery. ///
