

(+)-cis,trans-Absciscic Acid-d6

Art. ID TRC-A110002-1MG
Unit 1 mg

Description

Category: Agro-Products, Chiral Reagents, Isotope Labelled Compounds /// Appearance: Off-White to Pale Yellow Solid /// Application Notes: The natural isomer of the abscission-accelerating plant hormone. /// References: Krochko, J.E., et al.: Plant Physiol., 118, 849 (1998), Jacobsen, J.V., et al.: Psysiol. Plant., 115, 428 (2002)
